NOTE: Carlite offers center slider glass replacements for most of the above OE sliders. Refer to NAGS® catalog for part numbers.

*Carlite power sliders are replacement only, not upgrade kits. See dealer for switch, wire harness, and install instructions if upgrade from manual or fixed is desired.

** "Portable hole" is simply a plastic piece to which another wire harness can be fastened without having to punch another hole in the back wall of the cab. This plastic piece is attached to the power slider's wire harness.
